

CITY OF DWIGHT

DECEMBER 2012

DWIGHT POST OFFICE MEETING

All residents with a Dwight address should have received a survey and notice from the United State Postal Service about an upcoming meeting scheduled for Tuesday, January 8th at 4 PM at the Dwight Community Building. This meeting will be an opportunity for citizens to provide input on the four options concerning our local Post Office. It is imperative that everyone attend! Three of the four options are to close our Post Office. The time of this meeting may change. If it does, we will post it on the City's website. A copy of the letter and survey are enclosed if you did not receive one. The surveys are due by December 25th.

HOLIDAY ACTIVITIES

Prairie Heights School Christmas Programs

Elementary School in Dwight on December 4th at 7 PM
Middle School in Alta Vista on December 11th at 7 PM

Dwight Christmas Celebration • Sunday, December 9th

This year, we are doing something a little different. The Community Christmas Cantata will begin at 3 PM at the Dwight Community Building. This choir, directed by Diane Euler, is made up not only of Dwight residents but others from surrounding communities as well. Children from the Methodist Church Friday Night Sunday School program will be performing during the Cantata. After the Cantata (at approximately 4:30), the lighting of the Community Christmas tree will take place. Those in attendance will be invited to sing Christmas carols while students from Prairie Heights Elementary decorate the tree with ornaments they have made at school under the direction of Angela Moore. The Christmas tree will be located west of the Community Building. After all the outside festivities, you will be invited to come inside for refreshments and the kids can visit Santa's helper.

Community Christmas Dinner • Wednesday, December 12th

This annual dinner is sponsored by the Presbyterian Women. The meal will begin at noon at the Community Building. Turkey, dressing and potatoes are provided. Please bring a covered dish if you are able and join in for good food and company.

Visit with Santa • Saturday, December 15th

Santa will be arriving at the Community Building on the fire truck at 10 AM. Bring your list to share with Santa and leave with a sack full of goodies.

DOG CATCHER

Our dog catcher, Deverie Ward, has taken a job out of town. If you have a dog issue, you may reach her at 785-482-3806 (home) or 785-709-0535 (cell). She may not be able to take your call right away when she is working. If you have an immediate issue and can't reach Deverie, you may call Ronnie Gallaway at 785-209-0978.

CAT ISSUES

Several complaints have been received dealing with an abundance of cats roaming around town. The issue was discussed at the last City Council meeting. To try to get the problem under control, residents may check out the City's live trap to trap the cats humanely and relocate them to families not living in Dwight. The trap may be checked out for one week at a time. A form will need to be completed with descriptions of the cats relocated and whom they were given to. Please make sure that you are not relocating a cat belonging to your neighbor!
