Please check our website and review the City's weed Ordinance. The nuisance as defined by Ordinance No. 1102 mentioned here includes:

ROAD CONSTRUCTION

Construction on Highway 57 between I-70 and Dwight will begin sometime in August by Kansas Department of Transportation. Just a heads up!

WEATHER SAFETY

The tornado siren in Dwight is controlled by the Morris County Emergency Management. It will be sounded only when rotation has been sighted or the National Weather Service has issued a Tornado warning for our area. Once the siren has sounded, you have less than five minutes to take cover. Please take precautions by listening to your radio or television for watches or warnings. A second siren DOES NOT mean all clear – it means another storm is approaching. You should be prepared with an emergency supply kit. The following is an emergency supply list as recommended by FEMA:

***WATER**-one gallon of water per person, per day for at least three days, for drinking and sanitation.

***FOOD**-at least a three day supply of non-perishable food.

***BATTERIES**-for flashlights, weather radios, etc.

***FIRST AID KIT**

***WHISTLE**-to signal for help

***HAND-HELD CAN OPENER**-for food
