Twister Highlights – February 11

Issue: No. 23

TO: Prairie Heights Elementary School Parents and Patrons
FROM: Cynthia Schrader, Principal

• **Superintendent Doug Conwell gave the message that the Prairie Heights PTO would receive the proceeds of the sale of extra equipment left in the Dwight school, if they wanted to handle the responsibility of the dispersal. This was discussed at the January PTO meeting. In the meantime, PTO members have gone to the facility and taken pictures of various items available to purchase. The pictures will be utilized in fliers pertaining to the upcoming sale of the unwanted property. Members are looking at future dates, perhaps the end of April or the first two weekends of May for the event. The next PTO meeting will be on February 29. Be in attendance, if you want to have a say in how to schedule, organize, and carry on the process of eliminating unwanted equipment and receiving the proceeds.**

• **Parent Teacher Conferences were held this week on February 9 and 10, Tuesday and Wednesday from 4 – 8 PM. Thank you to the parents who took time to attend and converse with teachers about your child/children. At this time there is only one conference left.**

• **We have wonderful organizations and individuals who frequently donate or share acts of kindness with our students, staff, and school. This week the Alta Vista Baptist Church provided soup, sandwiches, and dessert for staff on the first night of conferences. The PHES staff appreciated the meal and the thoughtfulness of the individuals sharing the food.**

• **February 8 was the kick off to the Hoops for Heart activities at PHES. Andrew Gaylor, the PHES physical education and health teacher, organized this worthwhile activity to develop awareness of the importance in physical activity and its benefit to the heart, and at the same time conduct a fundraiser for the American Heart Association. So if PHES students ask you to donate to this cause, please give it consideration.**
